## **BRASS CAR SIDES BULLETIN**

**Our fall etching run has just arrived and brought the following sets back in stock:** #173-1, -19, -28, -50, -58, -82, -503, -524, -527, -550, -552 and -554. We are in the process of shipping reserved orders this week.

**The following sets are out of stock pending our next etching run and modeler orders:** #173-7\*, -72, -77, -82, -501, -502, -504, -505, -511, -512, -519, -530, -551, -559, -560, -561, -564, -566, -571\* and -578. The sets likely to be produced during our next etching run are marked \*. Please let us know at [info@brasscarsides.com](mailto:info@brasscarsides.com) what you would like that is out of stock. We have many other HO and N-scale sets in stock, plus brass doors, car ends, body kits and our historic DVD album.

**All of our HO Doors are on sale through November 30 for \$5.00 per pair. See list on bottom of page two. Our #173-101 Basic Body Kits, normally priced at \$11.75, are on sale for \$7.75 each through the end of 2017. #173-5 HO Northern Pacific 8-6-3-1 Pullman sides (NP 350-63, CB&Q 480-82, SP&S 366) are on sale for \$32.00.**

### **PROJECTS ON OUR RESERVATION LIST:**

HO & N Ex-GN/BN PS 1100-series NJDOT 48-seat coaches as reconfigured and deskirted during later years

### **DISCONTINUED, SPECIAL ORDER AND BY REQUEST ITEMS**

With the release of many ready-to-run plastic cars of the same prototypes as our side sets we have seen sales drop to the point where it is no longer feasible to stock certain items. See above list and reverse side, and our catalog for status of each item. Items that are listed as Special Order or By Request may be obtained as prepaid orders at a discount, with minimum quantities of two to four HO sets and three to seven N-scale sets. Please inquire by e-mail to [info@brasscarsides.com](mailto:info@brasscarsides.com), phone (507-931-2784) or mail for quotes on out-of-stock items.

### **WALTHERS**

In producing its combined HO and N 2017 Reference Book, Walther's omitted any listing of our N-scale line and only included a handful of the HO items. **Effective April 7, 2017, Walther's is no longer our distributor and will sell only from current inventory.** We regret the end of our 35-year vendor relationship with Walther's and the loss of the availability of Brass Car Sides through them. As has been true since 1978, we are happy to fill orders from modelers and hobby shops directly and will continue the personal service that people have come to expect from us.

**ALM N-SCALE CORE KIT BODY PARTS ARE AVAILABLE.** All of our current-production non-dome N-scale side sets are designed for the American Limited Models core kits, shortened to prototypical length for certain head-end cars. These kits have been out of production for several years due to tooling problems. However San Juan Car Company is selling the roof-floor-ends body sprue in either black or gray for \$5 each plus shipping. Send an email to: [sanjuancar@durango.net](mailto:sanjuancar@durango.net) stating the quantity and color of the sprues you want. Provide your address and any special shipping instructions. They will quote the total cost via email. PayPal is preferred. We no longer stock ALM core kits.

**TWO-DVD EDITION OF "Indiana, Minnesota, and Early Amtrak Railroad Memories 1964-72"** is available for the recently reduced price of \$18.00. This 2008 Second Edition features two short SP & UP chapters, a 12-minute preview chapter, and higher quality video due to minimal compression. It is 123 minutes in length, nearly all color, narrated, and divided into 16 chapters, plus an introduction.

**PLACING ORDERS:** Our products may be ordered from BRASS CAR SIDES or interested dealers. Shipping cost will be quoted and applied to each order. Payments may be made by check, money order or PayPal following an e-mail, written or phone quote. We regret that we are not able to accept payment by credit or debit cards. Quantity discounts do not apply to PayPal orders unless the PayPal fee is paid by the customer or payment is sent as friend/family. Minnesota residents please add 6.875% sales tax, which rises to 7.375% on January 1, 2018.

**PLASTIC CAR AND CORE KIT CODES (over):** **R**-Rivarossi HO [not newer IHC], **W**-Walther's, and **C**-Con-Cor HO or N, **B**-Bachmann HO or N, **K**-Kato N, **T**-Train Station Products HO core kit 806 or 807, **A**-American Ltd. Models N Core kits, **E**-Eastern Car Works HO core kits. All non-dome HO side sets may also be used with our HO Basic Body Kit #101, which consists of cast pewter alloy ends, milled basswood streamlined roof, wood floor and centersill.
